TO AVOID PNEUMONIA

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough, heals the lungs, and expels the cold from the system. Refuse any but the genuine in the yellow package. L. S. Simmons.

Business College Wins

Under the leadership of Captain Ralph Perkins of Sonoma, the Sweet's Business College Basket Ball Team defeated the Cloverdale High School Team in Santa Rosa last Saturday evening. The game proved to be a very spirited one and many exciting plays were made. The score stood 11 to 12.

Every body loves our baby, rosy, sweet and warm
With kissy places on her neck and dimples on her arms,
Once she was so thin and cross used to cry with pain—
Mother gave her CASCASWEET, now she's well again. Sold by L. S. Simmons.

Leap Year Ball

The Woman's Improvement Club of Glen Ellen, have made arrangements to give a ball in Mervyn Hall on Friday evening, Jan. 31, one week from to-night. Good music has been engaged and a fine time is assured to all. Admission 25 cents. Supper 25 cents. Proceeds to be devoted to public improvements in Glen Ellen.

How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels. Foley's Orino Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. L. S. Simmons.

New High School Building

Ruffner & Golvin, the contractors who have been doing the plastering and cement work, both inside and out, have completed their work in a very satisfactory manner. It will not be long now before the fine new school building will have been completed and furnished. All concerned will be glad when the new school house can be occupied.

Simple Remedy For La Grippe

La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes.

Bicycle Given Away

Mr. Hotz desires to announce that he will continue to give a ticket with every dollar purchase and will have a drawing early in the new year for the fine boy's bicycle on exhibition in his show window. *

Manual Place Sold

Through the agency of A. T. Skinner, the Manual place opposite the San Luis School at Shellville, has been sold to Jones & Turner of San Jose. The gentlemen have already taken possession. The property is very desirable and the new purchasers will greatly improve it.

EASY TO MIX THIS

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription as formulated by a noted authority who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangement in the following simple prescription, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping to sift and filter from the blood the foul acids and waste matters which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Notice of Dissolution of Partnership

Louis Peterson and Ernest O. Gates have this day dissolved partnership by mutal consent in the lumber business heretofore carried on by them at El Verano, Mr. Gates having sold his entire interest to Mr. Peterson, who will heretofore conduct and carry on said business.

FRIDAY JANUARY 24 1908,

The State Library of Sacramento is endeavoring to [illegible] the work [illegible] the mission. Books are loaned to the blind, and traveling libraries are sent free to communities without a library. Sets of books on any subject are loaned to study clubs for a nominal sum. Not as inspectors but encourage the establishment of public libraries and to render assistance and give advice to those already established, two library organizers are in the field.

According to law any incorporated town may maintain a public library. All that is necessary, if conditions are favorable, is to pass an ordinance to that effect. The town board may do this if they so desire, or if a petition from one fourth of the voters is presented it becomes an obligation and the town trustees may then maintain the library by taxation. After the first two years only two mills on the dollar can be levied for the purpose. The library is under the control of five appointed trustees.

Miss Bertha Kumli, one of the organizers, is visiting Sonoma. Miss Kumli addressed the ladies of the Woman's Improvement Club on Thursday afternoon and will call upon the town trustees

Fioneer Sheep-Raiser Dies

Germain Pellissier, one of the most prominent and highly respected residents of Los Angeles, passed away at his home there on Jan. 15th last. Mr. Pellissier came to California in 1868 and settled in San Francisco and afterwards moved to Southern California where he engaged in raising French Merino sheep, being very successful and amassing quite a fortune. He retired from active business life several years ago and built for himself and family a beautiful home in Los Angeles. He leaves a wife, two daughters, a grandson and other relatives and a host of friends who sincerely mourn his untimely death. Deceased was an uncle of H. Pellissier of this city, and five years ago he and his family enjoyed a two weeks visit here at Lawrence Villa.

Southern California churches are holding meeting for the purpose of praying for rain.

Suit Over Cow

Some months ago a cow came to the ranch of H. Meins in the lower part of the valley and he states that he immediatdly recognized it as one he had formerly lost. Not long after, A. Marcucci, of Embarcadero, sent his son over to the Meins ranch and asked for the return of the cow, claiming that it belonged to him (Marcucci) and had wandered away.

Mr. Meins gave a bond for the retention of the cow and a suit to determine the ownership of the animal was heard before Judge Small, Tuesday afternoon. Attorney W. F. Cowan of Santa Rosa, represented A. Marcucci and Attorney Frank F. Sprague, appeared for H. Meius. After hearing the evidence and the arguments on both sides, Judge Small awarded the cow to A. Marcucci and taxed the costs to H. Meins.

Annual Firemen's Banquet

The annual banquet of the Sono- [illegible] Volunteer Fire Co. [illegible] be given on the second Wednesday evening in February after the regular meeting for the election of officers. S. B. Lewis, H. F. Bates and W. F. Clewe are the committee appointed to arrange for the feast. Carl Dresel has been selected as toast master for the occasion. The spread will be prepared by Mine Host Ciucci of the Toscano Hotel, which is a sufficient guarantee of excellence.

Another Year Added

Our genial and stalwart City Marshal and Tax Collector, Jas. H. Albertson was receiving the congratulations of friends over the sixty-fourth mile stone in his journey through life on last Tuesday, Jan. 21st. His youthful appearance seemed to cast a doubt as to the correctness of the number and we suggest that the figures had been turned around but he insisted that his measure was 64 and not 46.

Many happy returns of the day Mr. Albertson.

ANNOUNCEMENT

At the Congregational Church next Sunday the sermon theme will be "The Call of God and The Answer" and "Abraham's Faith and its Results." The pastor will speak for several Sunday evenings on prominent bible characters and their lessons for and relations to the life of to-day. A cordial invitation is extended to all. A meeting of the church will be held at the close of the morning service to discuss important matters. A full attendance of members is desired.

ANNUAL BALL

Mr. and Mrs. H. Pellessier will give a grand ball on Washington's Birthday, Feb. 22nd. The occasion will be the second annual opening ball, of the new dance hall at the popular Lawrence Villa. There will be good music. A supper will be served to all guests free. The affair promises to be a most delightful one.

Thos. B. Wilson Appointed

T. B. Wilson, a former well known Sonoma boy, who has been a resident of Cloverdale for many years past, has been appointed postmaster in that place vice Geo. Baer, who has accepted a position in the United States Internal Revenue Dept., with headquarters in San Francisco. The many friends of both gentlemen in this valley congratulate them on their preferment.

Athletic Contest

The Athletic Club of the county seat has arranged to give a big exhibition there on the evening of Jan. 29. The main event will be a 15-round go between Arthur Piver, of Duncan's Mills, and Grover Neep of Green Valley.

The central creamery of Humbolt county proposes to go after government orders for butter the coming year.

Deafness Cannot be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces

We will give One Hundred Dollars for any case of deafness, (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The Miners Return

J. V. Miner, the former well known farmer of Eldridge, returned to Sonoma for a short stay on Monday. Mr. and Mrs. Miner and their accomplished daughter, since leaving this valley have traveled extensively in the East, the former having spent considerable time in Mexico. They are now making their home in San Francisco.

Wise Talks by the Office Boy Repeated

Say, fellows, what do you think of all this money going out of America from Gladys to Lazi? You know what I mean. Doubtless Miss Vanderbilt is of age and her Ma knows what's good for her, and Count Lazi, the noble Hungarian patriot, looks good to both of them. There's no doubt of that, or they would'nt go and stack up against his no-account bank account, ten million is a whole lot of script to move out of this country.

I'm finding out that money is good when you use it right, and the boy who starts out without any is the fellow who knows how to use it right when he gets it.

The boss says that a good head and good legs is better than money but I'll take some of both in mine if I can have any say about it.

Just now I'd like money enough to get me one of those swell overcoats, a suit, a pair of shoes and a hat, which we have on special sale Saturday and all next week if they last that long. Better come early to get bargains.

The Rainfall

According to the gauge of Robt. Hall, the authorized local agent of the United States Weather Bureau, the total rainfall for the season is 12:40 inches. While being a little less than last year for the same time, the rain has come so gradual and gentle that the beneficial results are greater.

The rainfall last year up to the same time, was 15:14 inches. The downpour yesterday and last evening amounted to 1:10 inches which is an unusual amount in so short a time.

Married in Santa Rosa

Miss Mary Farnocchia, the pretty fifteen year old daughter of Mr. and Mrs. Frank Farnocchia of the Hotel Chauvet, Glen Ellen, and Mr. Wm. Mr. and Mrs. Rossier are wished much happiness by their many Sonoma Valley friends.

GLEN ELLEN

An amusing incident took place on 4th street, Santa Rosa, last Wednesday evening Jan. 15th. This incident consisted of an exhibition at foot racing by a brace of experts in that line to a crowd of nearly 500 people. The race was considered a fairly good one and honors seemed about even. A quartette of Native Sons from this place, after having spent a pleasant evening with Santa Rosa Parlor, happened along, muscular and of fair physical proportions (undoubtedly inherited from their pioneer ancestors) offered to wager one American dollar that one among them could outrun either one of the two. This offer found no response and was immediately increased five to one and later twenty to one, all of which found no takers. This bunch of Natives then proceeded on their way wondering why liberal offers of this kind should go unheeded and unrewarded in one of the grandest states of the American Union.

Farnocchia, of Hotel Chauvet. Mr. and Mrs. Rossier will reside at Petaluma where the former has secured lucrative employment.

Don't You Feel Well? Ache All Over?

Feverish? Feel as though your blood was hot? Cold feet? Backache? Those warning signals which indicate that "a bad cold" or a fever is coming on? Don't get discouraged, but go home. On the way, stop in any drug store and get Dr. Pierce's Golden Medical Discovery. When you get home, take a hot bath or a hot foot bath, go to bed, cover up warm—take a dose of the "Golden Medical Discovery," in the morning another dose, and you will feel better. You will not have to continue many doses before you are well. If you still persist in the use of Dr. Pierce's Golden Medical Discovery you will find improvement in your general constitution, appetite and blood—your liver will become active and throw off the poisons from the system.

Come near to Natures way as you can. There's a reason—digestible foods are made digestible by the—The human economy digests and assimilates them best. In disease, a remedy made up of Golden Seal root, Queen's root, Stone root, Black Cherrybark, Mandrake root and Bloodroot, such as Doctor Pierce's Golden Medical Discovery, is positive yet safe, is assimilated in the stomach and taken up by the blood, therefore it is the most potent means which can be employed for the regaining of lost health.

Microbes snatch at us from every corner. They mean to kill or eat us if they can. They are formed by millions on everything we eat, drink and wear. The air is *alive* with them. Medical science has proven in the past few years that nearly every disease is a germ disease. Such disease germs enter into the blood in two ways, either through the lungs or stomach. If the blood is pure and rich, the liver and stomach in healthy, active condition, the germs of disease cannot find a resting place there to multiply. Diseases of the lungs, bronchitis and consumption, grip and pneumonia, are very apt to spread through a factory where there is much fine dust in the air. The lungs become irritated and the germs find a fertile field for growth. Extreme weakness, feelings of nervous exhaustion, coughs and colds are the warning signals which should be heeded. One should put the system in the very best possible condition right away. Rid your body of the poisons that are apt to accumulate and your system is ready to ward off the attack of the germs of disease. Doctor Pierce's Golden Medical Discovery makes *rich, red blood*—by increasing the red blood corpuscles. There is no alcohol in this great tonic to shrivel up the red blood corpuscles. An alterative extract, made only of native medicinal roots, it goes about its work in nature's way. Only good can come from its use, as it invigorates and tones the liver into proper action, and feeds the worn-out nerves, stomach and heart on pure blood.

"I am a firm believer in Dr. Pierce's Golden Medical Discovery," writes Joseph Napoleon Herbert, Chairman Board of Relief, of 293 St. Paul Street, Montreal, Quebec. "Find that it has been of practical value to a number of men in my employ. They are especially exposed to inclement weather, and often the colds contracted run into pneumonia, stomach trouble, or kidney and liver disease. However, since we have known of the value of 'Golden Medical Discovery,' there is much less sickness, as this medicine seems to keep the blood in a healthy, active condition, and to ward on colds and all other diseases. It is a very fine tonic for a run-down system [illegible] its worth."

BAD HEADACHES generally arise from bad stomachs. Foul breath, bitter taste, coated tongue, sour eructations or belching of gas, are common symptoms though not all present in every case. To cure, take small doses, only one or two each day, of old Dr. Pierce's Pleasant Pellets, the **Original Little Liver Pills**, first put up by him over 40 years ago. One or two a laxative, three or four cathartic.

THE SULPHUR ISSUE

Five scientists, recommended by the presidents of the universities of California, Chicago, Yale, Johns Hopkins and Virginia, will compose a board which will pass on the vexed question of how much sulphur may with safety be used in curing the dried fruits of California's orchards. This was promised by President Roosevelt when the matter was presented to him by Congressmen Hayes, Needham and Smith.

They declared that the rule promulgated by the Pure Food Board was really the work of Dr. Wiley and that he had expressed himself in such a way as to indicate that he would not recede from his original position, no matter what might be the showing in the official report of chemical analysis of California dried fruits. The industry represented an investment of millions of dollars, the Congressmen said that it was in danger of being ruined by the unnecessarily technical ruling.

The President listened with attention and said he would leave the matter to a disinterested board which could not be influenced by anything but common justice. All the Congressmen said they would be satisfied with such a reference of the matter. The Board will take up not only the question of dried fruits, but the whole question of preservatives, and circular 76 may be greatly modified when they have goten through with it,

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by L. S. Simmons.

Stockton grain men report the business of grain buying very dull this season.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomache, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like KODOL For Dispepsia and Indigestion. It will enable your stomach to do its work properly. Sold by L. S. Simmons.

The State Veterian is engaged in making a number of tuberculin tests near Vallejo.

Do you have backache, occasionally, or "stitches" in the side and sometimes do you feel all tired out without ambition and without energy? If so, your kidneys are out of order. Take DeWitt's Kidney and Bladder Pills. They promptly relieve backache, weak back, inflammation of the bladder and weak kidneys. Sold by L. S. Simmons

There are two corps of surveyors and sixty men with teams working on the big irrigation lateral near Willows.

Of Vital Importance

No other organs of the body are so essential to good health as the kidneys. Foley's Kidney Remedy makes the kidneys healthy so that they will strain out the impurities from the blood which is constantly passing through them. Commence taking Foley's Kidney Remedy at the first sign of danger.

The Turlock Journal says that dairy cows in that section average $12 per month.

This is Worth Remembering

Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. Do not risk your health by taking any but the genuine. It is in a yellow package. L. S. Simmons.

TWO UNWELCOME VISITORS

At this season La Grippe and pneumonia cause more deaths than consumption. Foley's Honey and Tar cures la grippe, coughs that may result in pneumonia over night. Do not take chances with a cold when Foley's Honey and Tar will quickly cure it. L. S. Simmons.
